A hand-drawn illustration of a landscape. On the left, there is a small house with a chimney. In the center, three trees of varying sizes stand in a row. To the right, a path leads towards a sign that reads "Beta Walk". The sky is filled with stars and a crescent moon. The drawing is done in a simple, sketchy style with black outlines on a white background.

old
house

A hand-drawn map of a village. It features several buildings: a bakery labeled 'Bäckerei' with smoke coming from its chimney, a mill labeled 'Leiss Mahlk', and a pizzeria labeled 'Pizzeria'. There are also smaller, unlabeled houses and a road winding through the scene.

DEDICATION

To Dr. Bernal Robinson Weimer, for his sympathetic understanding of the Bethany student body, especially those responsible for this publication, and in recognition of his brilliant work in publishing his text *General Biology*, we respectfully dedicate the 1938 BETHANIAN.

Candid snapshot of dedicatee a-hobbying

DEAN BERNAL R. WEIMER

FOREWORD

In the following pages which should last for ages,
We have pictured the life on "old Bethany's hill "

When you all become sages and look through these
pages,

May this book bring back memories still.

Greetings

W. H. CRAMBLET

From The President

It is a pleasure to greet the students and friends of Bethany through the pages of the 1938 Bethanian. We hope that this record of a year's life at Bethany will become more precious to you with passing years. Memories of lessons learned, of friendships formed, become increasingly dear as they grow old along with you.

The traditions and purposes of the college are to be a reflection of your own spirit and purposes. Your interest in the college and its undertakings may well be one of your important if not your chief concerns. With your help and support, those who direct the affairs at Bethany in future years will be able to build a college which you will be proud to praise in song and story.

As you turn the pages of this book may the spirit move you to return often to "the college on the hill" which has become your college.

"Old Bethany, thou fairest of all".

Sincerely yours,

W. H. CRAMBLET,

President

Faculty

ANNA RUTH BOURNE

Professor-Emeritus of English Literature
King's College, University of London;
Oxford University; A.B., Bethany
College; A.M., Columbia University
University of Poitiers; University of
Paris; Litt. D., Bethany College
(1903)

A History of The Class of 1938

September 16th, 1934 . . . how long ago it seems, and yet again it might have been only yesterday! Who can forget the feelings we had as we drove into Bethany that cold, rainy Sunday almost four years ago? For five short days we were the center of attraction, and then . . . poof! . . . came the sophomores! It wasn't long before we learned that we were "only Frosh", and we had better watch our step. We had hardly recovered from rushing week when we were notified by the sophomores that we would have to purchase "dinks" and handbooks . . . price—50c each. Result—meeting of the Freshman class in Commencement Hall under cover of darkness, and a decision to pay only 55c for both. Outnumbered almost three to one, our tormenters gave way.

Remember the snake dance all over town that followed our football victory over Fairmont . . . the only one of the season? How important and grown-up we felt when we went home for Christmas vacation! How young and inexperienced those high school kids seemed!

Hardly had we settled down to studying again when exams were upon us, and being "only Freshmen," most of us burned the proverbial midnight oil.

Who will forget the row that followed the stealing of that notorious look from the Phillips Hall door? Remember how the young males surged up the hill in protest when dates were prohibited? And how skillfully Prexie Cramblet broke up the famous "pajama party" that followed? The Prom, Arbor Day, and exams followed in swift succession and we found ourselves no longer Freshmen. Such a "grand 'n' glorious feelin".

What a difference a few months made! We were now Sophomores with all the rights and privileges thereof. We showed the incoming class our power in a tug-o-war across the Buffalo that ended in a free-for-all in mid-stream, after the rope broke the third time.

Plenty of excitement for all when the Buffalo thawed out and covered the surrounding countryside with ice and excitement. It wasn't very long after this that the beautiful Ohio went on a rampage, and everyone cut classes to walk into Wellsburg to see the flood . . . yes, even the faculty!

Dr. Weimer became our new Dean, but his promotion didn't change his pun frequency one bit. All of us have fleeting memories of the Freshman-Sophomore Prom, and still more fleeting memories of those Sophomore Comprehensives we sweated over on that beautiful day in May. Remember the swell Inter-Fraternity Ball with Sammy Kaye? A perfect finish to a perfect year.

It doesn't seem possible, but over sixty of us became Juniors. We won't forget how gloriously some of our members battled on the gridiron to bring Bethany six victories during the season, and the fun we had at the first annual All-College Christmas Party. Remember Dr. Woolery in that yellow wig in the faculty play? Spring came again to Bethany and the annual pilgrimages to the swinging bridge and Three Falls became the main attraction on Sunday afternoons. Some of us felt "that way" enough to put our pins out, and others felt "that way" enough to accept them. Another move-up day passed and we were no longer Juniors. How time has flown!

Seniors at last! How strange the old school seemed with the new rooms in under the corridor, and old Freshman alley painted and plastered. We couldn't quite get used to the new athletic field across the way either. Such progress! Half of the famous corridor had been done over in tile, too. The jinx seemed to follow our football team wherever it went, and the infirmary was filled to overflowing with battered warriors. Even the Moo Moo Moo demonstrations didn't seem to help. Lots of ice skating on the Buffalo with plenty of thrills, chills, and spills. Those darn semester exams again! They didn't worry us much because we had become hardened to them after four years. Only Freshmen worry about such things. Well, well! We seniors held a class meeting and decided to present a bronze plaque to the school . . . as our gift. It will be a long time before we forget how the mouse stole the show at the Penny Carnival, and how we threw peanut shells and pennies during the "mellodrammer" in Commencement Hall. A few more dances, comprehensives, and then graduation. The four most eventful years in our lives have passed. To those who are to follow we leave our school with its ideals and traditions. May they come to love Bethany as we have!

Junior Class History

'Twas in the fall of thirty-five,
Some six score Freshmen, all alive
The knowledge of the world to know,
Encamped on banks of Buffalo.

This crew was sure to have a store
Of antics for our college lore.
One stacks the rooms—a dastard trick;
They throw him in the icy “crick”.

These aspirants for lasting fame
Must fittingly engrave their name
In letters bold in some high place
Where jealous hands can not efface.

Accordingly, one frosty morn,
Defying threats with lofty scorn,
The numbers nineteen thirty nine
Across the gym roof proudly shine.

Of course, these greenhorn trusting geeks
Espouse the cause of warring Greeks.
They wear some glittering device
And guard it well at any price.

The Freshman-Sophomore formal dance
Affords the co-ed her first chance
To reign supreme in formal gown,
And bring herself to sweet renown.

Semester finals came at last,
A few have flunked but more have passed
The six score Freshmen now can feel
That college life is something real.

But soon the warmth of long spring days
Bathes all the campus in a haze.
That blinds their eyes to book and pen
And life is just a dream again.

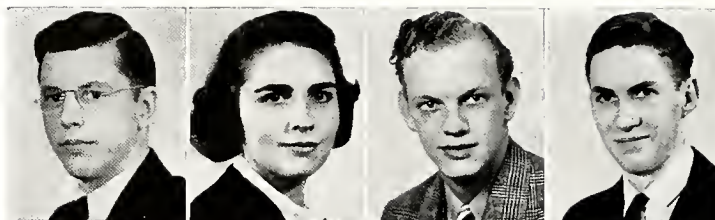

E'er long the Frosh are Frosh no more
They take the name of Sophomore;
Sophisticated Sophomores,
Who sleep through class with raucous snore.

They paint themselves with fame and gore
On football field and hardwood floor;
Or ace the stage with pompous speech
And fail their tests from Shaw and Leitch.

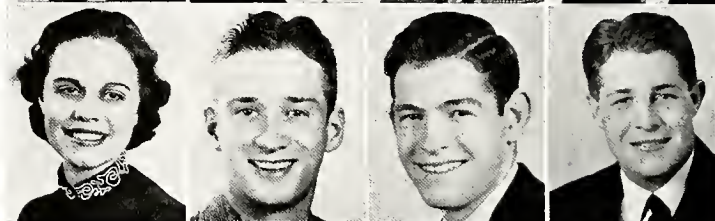

These Sophomores now take their place
As Juniors blithe with fitting grace.
These Juniors blithe, yet dignified,
Their former selves they now would hide.

Though dignity is theirs, we yet
Their former selves can not forget.
For still across the gym roof shine
The numbers nineteen thirty nine.

History

Perhaps it was the paradox of our being, as freshmen, simultaneously the baby class of the Bethany campus and the "centenarians" of 1940 that accounted for the return of only 104 of our original 164 this year. Or could it be this paradox that made the class so enterprising—full of the vitality of infancy and the resolute determination of maturity.

Bethany students still tread daily upon the remains of our once garishly yellow numerals 1940 on the Main Walk, deposited there during our Freshman Hazing Week, before our boys won the skirmish in the Buffalo that November Saturday in dribbling snow. We did accomplish two things our freshman year: the presentation of A. A. Milne's "The Romantic Age," and, smiling at our rivals the sophs, cooperated in the achievement of the Freshman-Sophomore Prom.

This year as sophomores, however successful or unsuccessful we might have been we decided to haze the frosh with a little more vigor than we had received. Organizing Oct. 7 for this purpose we elected Kenneth Underwood, president; Harry Clemens, vice president; Marilyn Roberts, secretary; and Mary Jane South, treasurer.

Stimulated with the echoes of class spirit created by rivalry with the frosh, our class cheered "long and loud" at the Interclass Volleyball Tournament this winter. (Note: We only took third place.) However the class members have achieved honor and attained prominence in practically every Bethany activity with the EXCEPTION of volleyball. Ken Underwood, class president, won the third prize of twenty dollars at the annual West Virginia Collegiate Peace Oration Contest; two of the newly elected sorority presidents and the chairman of the non-sorority group are sophomores; also five of the nine models in the April Flower and Fashion Revue were sophomores. The class of 1940 has been well represented in athletics, social service work in McKinleyville, musical activities and dramatic productions.

Undaunted by those perspiration-producing Sophomore Comprehensives, we of 1940 are ready to wiggle our toes in the Junior class shoes and step off a few more worthwhile paces on the road of college experience.

Activities

Student Board of Governors

The Student Board of Governors is the student-controlling body of the college. It is composed of two representatives from each fraternity, sorority, and four representatives from the non-sorority and non-fraternity group. The duties of the Board are various and numerous. Some of the more important activities which they control are the Student Board of Publications, student chapel, the annual "Sodbuster," and the disbursement of the student fee to various organizations.

This year the Board underwent a radical reorganization. The new constitution drawn up brought about many changes which will make the Student Board a better governing group in the future than it has been in the past.

Officers for the year were:

President—James Everhart

Vice President—Robert Morrow

Secretary—Amy Hettler

Treasurer—Ruth Knowles

A local group that has as its purpose the maintenance of college spirit and the improvement of student morale.

Originated in 1923 as an honorary pep organization, Moo Moo Moo has come to be a tradition on Bethany's campus. Their activities clothed in darkest secrecy, the Bulls of Moo select their calves and train them in the secret ways of keeping ever on high the name of Old Bethany.

This year Burger, Cutlip, Lancaster, Morrow, Porter, T. Rogers, and Whitehead were selected by the Bulls of Moo to follow in their illustrious footsteps. These calfs, by reason of their industrious application to the work of the group, and their fine display of pep, vim, and flying bathrobes at Homecoming, won for themselves the coveted title of Bulls.

Below is the Clan of Moo, in one of their more peaceful meetings, planning and scheming to keep at white heat the spirit and morale of Bethany's students. They hold the welfare of Bethany close to their hearts and endeavor to promote an active school spirit.

Color: Cream

Flower: Bull-rush

Moo Moo Moo

French Club

The French Club, sponsored by Miss Pearl Mahaffey, has an active membership of twenty-five this year. Membership in the club is confined to majors and minors in the French department of the college.

The club meets once a month. Its programs have included plays, musicales, talks, and book reviews.

The club presented its annual chapel play under the direction of Colette Dreyfus, the French exchange student, and Miss Mahaffey. Its title was *Le Cuvier*.

Quite often the club has held dinners in the private dining room of Phillips Hall and played hostess to Le Circle Francaise from Wheeling. The club also took its yearly trip to Irons Memorial Church in McDonald, Pennsylvania, where the entire service is conducted in French.

OFFICERS

President—Geneva Bamford
Vice President—Marguerite Ciarrochi
Secretary—Margaret Smith
Treasurer—John Erskine

German Club

Despite being a relative newcomer to the Bethany campus, the German Club has had a very successful year. The club was organized in the fall of 1934; the purpose, to create and to stimulate a better interest and understanding of the language, culture, and customs of the German race, and thus to secure a more harmonious relationship among American youth in their attitude toward Germany.

Under the counselorship of Professor McKenzie and the leadership of Albert J. Kuti, President; Caroline Butchko, Vice President; Flora Justus, Secretary-Treasurer, the club has made rapid progress during the past year.

A very unique and educational series of programs have been held. A feature of the year was the establishment of relations with the German Department of W & J College, in which the head of the department delivered an address to the club. Probably the outstanding features were three radio broadcasts direct from Germany sponsored by the club; these programs were held in November, March, and April of the school year. The annual play presentation was in May.

The successful year was closed with an outdoor steak fry at which new officers were elected for the following year.

Alpha Psi Omega

Alpha Psi Omega, a national honorary dramatic fraternity, is represented on this campus by Beta Gamma Cast. After many years of inactivity, this chapter's charter was renewed in 1932, and since then it has become an increasingly valuable organization to Bethany students. Officers and advisers for the year were:

President	Mary Kay Stroman
Vice President	Goldye Wentzel
Secretary-Treasurer	John Erskine
Advisers	Helen M. Hosp and E. E. Roberts

As an honorary fraternity, it is chiefly concerned with recognition of service in the field of dramatics, not with active play production. Yet Alpha Psi Omega by encouraging and sponsoring plays has been responsible for a varied theater bill here.

Dicken's *Christmas Carol* and Goldsmith's *She Stoops to Conquer* were presented under Alpha Psi Omega direction. Its Commencement plays—*Night Over Taos*, *Seventh Heaven*, *Pygmalion* and *Calatea*, to mention recent ones—have promoted a tradition of quality and excellence in dramatic work.

This year Alpha Psi Omega produced a play by one of America's post war dramatists, Robert Sherwood's *Petrified Forest*. The Commencement play this year returns to the classics with Shakespeare's immortal *Taming of the Shrew*.

There are 107 chapters in this fraternity scattered throughout the United States. They are united in sponsoring the highest standards attainable in acting and staging. They honor the director and technician as well as the actor.

International Relations Club

This year's International Relations Club is composed of twenty members whose purpose is to create and maintain an interest in current international problems.

Among the timely and pertinent topics discussed at the bi-weekly meetings this year were: the Sino-Japanese conflict, the Spanish revolution, the German-Austrian excitement, the French situation, Swedish cooperatives, Mexican and Australian policies, and the Brazilian dictatorship.

This year the club sent its president and vice president as delegates to the regional convention of International Relations Clubs held at the University of Toledo, Toledo, Ohio, on November 12 and 13. The club is also responsible through the Carnegie Foundation for the International Relations book shelves in the library which contain new and recent books on various phases of the world situation.

Officers and advisers of the club for 1937-1938 were:

President.....	Gerald Patterson
Vice-President.....	John Erskine
Secretary-Treasurer.....	Mildred Dawson
Advisers.....	Dr. Shaw and Dr. Woolery

Women's Athletic Association

Active in more than name, the Women's Athletic Association has completed another successful year. The ideals of the organization are to encourage physical efficiency, good sportsmanship, and athletic accomplishments. Thirty-nine members have participated in fall, winter, and spring sports, including archery, hockey, baseball, volleyball, basketball, table tennis, badminton, shuffleboard, horseshoes, tennis, swimming, and riding.

Girls who participate in one sport and the follow-up tournament are eligible for membership. Participation in two sports each semester is required to retain membership in the organization.

Special loving cups are to be awarded this spring to those girls who have through successful competition, shown unusual proficiency in swimming and archery.

Athletic cooperation among classes, high schools and colleges was made possible by the Inter-class Volleyball Tournament, Freshman Party, W. A. A. Swimming Meet, California Play Day, Girls' Swimming Meet at Pitt, High School Play Day, and the All-College Dance.

The organization is indebted for its successful program to the leadership of its President, Edna Woods; Vice President, Ellen Wylie; Secretary, Nancy Caldabaugh; Treasurer, Loris Grimm; Miss Burrows, Director of Women's Athletics and Sponsor of the Association; and Cabinet.

Y. W. C. A.

The Y. W. C. A. serves two purposes on this campus, social and religious. It met its social obligations with its annual Japanese Bazaar and all-college dance.

It represented Bethany College at the National Youth Conference at Oxford, Ohio; and at the Spring Regional Conference at Jackson Mills West Virginia.

It has been very active in religious work this year. It sponsored a series of Sunday evening group discussions during February and March. The topics were: Government, Christian Principles in Education, War and Peace, The World Community, Men Women and Family Relationships.

It extended its influence beyond the college in its McKinleyville project. Every Saturday afternoon, classes in handicraft, and games were conducted for about twenty-five underprivileged children.

The officers were:

President.....	Geneva Bamford
Vice President.....	Rose Keim
Secretary.....	Ethyl Schafitz
Treasurer.....	Dorothy Johnson
Sponsor.....	Miss Pearl Mahaffey

Y. W. C. A. Cabinet

The cabinet of the Young Women's Christian Association is composed of the officers and the chairmen of the various committees of the organization. It controls the largest student group on the campus.

W. A. A. Cabinet

Members who have belonged to the Women's Athletic Association for one year and who have shown ability and interest in the special activities of the club are eligible for cabinet positions.

Mixed Quartet

Composed of two members from the Treble Clef club and two from the Glee Club, the Mixed Quartet is an invaluable asset to the college program.

In addition to singing at home concerts, the quartet traveled widely with the college promoters, singing at teas and student receptions.

Male Quartet

The Male Quartet made up of Glee Club members was one of the special features of the Glee Club on its several tours and home concerts. These four men also rendered their services to the administration in college promotional work, and presented programs at many of the alumni gatherings this year.

A complete reorganization of the Pre-Medical Club took place this year. The club's purpose is to acquaint Bethany pre-medical students with various phases of medicine and surgery and with the requirements for a good practitioner. This information is derived from speakers, outstanding in various phases of the medical profession in the tri-state area, and from papers written and presented by members of the club.

Among the speakers on this year's program were Dr. B. F. Harden and Dr. S. Sprigg Jacob. Dr. Harden, who in 1891 performed the first appendectomy in Brooke County, spoke on "Medical Trends in the Twentieth Century." Dr. Jacob, Bethany College physician, took "Tuberculosis" for his topic. Club members who presented papers were: Caroline Butchko, Ruth Garner, Vivian Gilbert, Donald Hassig, and Frank Hauber.

Club members took field trips this spring to the Allegheny General Hospital in Pittsburgh and to the Wheeling Clinic in Wheeling.

At present there are about thirty members in the club. The officers for 1937-1938 were:

Frank Hauber.....	President
William Ashley.....	Vice President
Marge Packard.....	Secretary-Treasurer
John Neth.....	Program Chairman

Pre-Medical Club

The Varsity "B" Club is sponsored by the Athletic Board of Control. It is not an active club, being more of an honorary club for members of the student body who have satisfactorily completed all the requirements necessary before they are presented with the varsity "B" in any of the various branches of varsity sports. These varsity men include cross-country runners, football men, basketball players, tennis men, track stars, and senior managers of these various activities.

Varsity "B" Club

Bethespian Club

The Bethespian Club organized in 1932 succeeds The Merry Maskers as the organized dramatic club on this campus. It provides for its members a medium for expressing dramatic interest and ability, and a means of acquiring dramatic experience.

Because of its increasing membership of the last two years the club was reorganized this year. It was divided into four Little Theater groups: directed by Eleanor Baker, June Galley, Helen Stein, and Bob Taylor.

The officers for 1937-1938 were:

President	Ardenne White
Vice President	John Erskine
Secretary	June Galley
Treasurer	Helen Stein
Program Chairman	Don McIlroy

Bethespian Club admits members after tryouts held at the beginning of each school year. It's monthly meetings are devoted to lectures on various phases of the theater, and student-produced one-act plays. It has sponsored the freshman play in recent years besides producing numerous one, and three-act plays for the entertainment of the student body.

We will remember it for *The Romantic Age* of last year as well as *Winsome Winnie*, and *The Elopement*, this year. The Bethespian Club is looking forward to a year of increased efficiency and service under its new organization.

The Bethany Science Club is composed of students who are majoring or minoring in Mathematics, Physics, Chemistry, and Biology, and who have a high academic record for their work in their chosen science. It was organized in 1935 under the name "The Physical Science Club" for the purpose of extending the interest of its members in the sciences, and of bringing to each group some knowledge of the work of the others. This year the specific aim of the Physical Science Club has been to increase the students' knowledge of the vocations based upon the practical applications of the sciences, and of the place of college-trained men in industry. Accordingly, most of its programs this year have been motion pictures pertaining to some industry, and talks by men in industry. Several very interesting speakers were secured through the cooperation of the Weirton Steel Company.

Because of the nature of its programs, the Physical Science Club opened many of its meetings to freshmen, and other interested students who are not members.

The fine cooperation of the student body in general and of the Bethanian Staff in particular has greatly lessened the cumbersome task of publishing our 1938 edition.

We have made an honest effort with the resources at hand to make the book as representative a record of the school year as possible.

A curtailed budget added quite a few hours of toil and several gray hairs for the Business Manager and Editor.

In planning the 1938 Bethanian the staff decided that there should be no special theme, but that the book should be as informal as possible. We hope it meets with your approval.

Should the plans of the Board of Publications now under way be accepted, this may be our last Bethanian as a year book. The Staff wishes to express its sincere thanks for the privilege of publishing the Bethanian of 1938.

The *Collegian*

ROBERT TAYLOR

The year 1937-1938 marks a second shift in emphasis of the *Bethany Collegian* since its inception over fifty years ago as a literary publication under the supervision of the various literary societies then prominent on the Campus. At first news-gathering was incidental, but in the course of years it came to be almost the sole endeavor of the paper. During the past school year, the staff, working on the assumption that a bi-weekly paper in a small college can publish little of essential news value placed greater emphasis on the function of the *Collegian* as an organ of student opinion, although its position as a record of student events was not minimized.

In its editorial columns and especially in the *Agenda*, from the Editor's desk, were printed pertinent criticisms of student problems. Particular stress was placed on the interfraternity spirit and the appropriation of student funds and consideration of student interests by the Student Board of Governors.

Bethany College Ministerial Association

The Bethany College Ministerial Association is composed of students who are interested in religious training for work in the ministry and other related fields. The group meets at various stated times for discussion meetings, papers, and speakers. The officers who have guided the activities of the group in the past year were:

James B. Miller.....	President
Robert Taylor.....	Vice President
Arnold Davis.....	Secretary-Treasurer

Faculty members who serve in an advisory capacity are Professor Irvin Green, Osborne Booth, and Rev. Dwight Stevenson.

Each year the program is climaxed by a formal banquet held early in May. This past year the banquet was held at Bethany Memorial Church the first week in May.

Church Choir

Only the most musically talented students are accepted into this organization whose reputation is well-known on the Bethany campus. Under the direction of Professor Rush Carter who accompanies them with the church organ, the choir participates actively every Sunday in the morning and evening services, with special anthems, solos, quartettes, and responses.

Besides giving quite a bit of their time to the regular Sunday church services, the choir has presented three major performances to the college. These three highlights in the history of the 1937-38 choir were the presentations of Gounod's "Gallia" at fall homecoming, Maunders' "Bethlehem" in celebration of Christmas, and Rossini's oratorio "Stabat Mater", sung in Latin on Palm Sunday evening.

The choir has also participated in services at the different churches in Wheeling. On the first of May they sang for a Student Youth convention at the United Presbyterian Church. Later in May, they gave a second recital of "Stabat Mater" at the Christian Church. The Bethany Memorial Church choir has always been recognized for its good work and especially this year have they deserved all the recognition given them.

The Glee Club is composed of twenty-one men. In addition to these singers are the accompanist and the director. The Varsity Male Quartet includes men who are also members of the group.

The Glee Club completed a successful season during the school year of 1937-38. The members of the organization and the college have profited from the preparation and presentation of the repertoire.

The annual tour afforded an opportunity to present the Glee Club in a considerable number of both formal and informal appearances. If enthusiasm on the part of the performers can be used as a measure of excellence, the programs presented on this tour were worthwhile.

Men's

Glee Club

The complete program included a group of tenor solos, a clarinet solo and a group of numbers by the Varsity Male Quartet in addition to several groups of numbers presented by the entire organization.

The director of the Glee Club, Professor Rush Carter, merits the sincere appreciation of his work during the season which the group has expressed by splendid cooperation in the work of the club.

Following the custom of all Bethany Glee Clubs, the 1938 season was concluded by a formal concert in Commencement Hall.

The Glee Club has made various appearances from time to time in addition to the annual tour. Among these has been a concert broadcast over the N. B. C. system.

Treble Clef

Filled with will-be Galli Curcis and Schumann Heinks, this club is one of the largest and most talented organizations on the campus. The club meets at 4:30 on Tuesdays and Thursdays under the direction of Professor Rush Carter, and is accompanied by Mary Kay Gabler. Lillian Mallory is president and Mary Jane Halter is manager.

Treble Clef-ites were formally introduced to the student body in their first recital which was presented during the mock wedding and style show at Phillips Hall on April 2nd. "The Kiss Waltz", commonly known as "Il Baccio", "Morning", and Gui's "Oriental" were the three currently popular numbers presented.

Members of this club also participated in the presentation of "Carmen" on May 7, some singing in the choruses and some with principal roles.

Next year, not to be outdone by the Men's Glee Club, the girls intend to go on a spring recital tour travelling to the same places that the men went this year.

Board of Publications

Bethany College organs of student opinion and record, the *Bethanian* and the *Collegian*, are managed and edited exclusively by students under the supervision of the *Student Board of Publications*. This board is composed of the editors of the publications, the business manager and three members of the Student Board of Governors.

The work of the board this year has consisted of its perfunctory duties and in addition several recommendations have been made to the student body concerning progressive moves in student publication work.

The members of this board are Robert Morrow—editor of the *Bethanian*, Richard Porter—business manager; Robert H. Taylor—editor of the *Collegian*. John Erskine, Edward McVeigh, and Laura Zbiec—Representatives of Student Board of Governors.

Business Staff

The Business Staff is an organization of the candidates for the position of Business Manager on the Student Board of Publications and is responsible for the financing, circulation, and soliciting of advertising for our student publications—the Collegian and the Bethanian. These student candidates are securing training which will be of great value to them in years to come when they will have complete charge of the business end of the student publications.

We have had tough sledding this year; our advertising has fallen below par due to general economic conditions in the valley. However, with the fine cooperation of the editors of our publications we have been able to so conserve our limited finances to give you this book.

Business Manager—Richard Porter

Freshmen:
Jean Boone

Inter-Fraternity Council

Starting in June, 1937, the Inter-fraternity Council opened its fiscal year with a very successful Inter-fraternity Ball.

With the promotion of a better inter-fraternity spirit as its goal the Council started last fall's program. Its first big task was "rushing". Faced with a scarcity of freshmen men it passed a rule limiting the bids offered to twelve per house. A feature of this program was the "round-robin" night which gave freshmen a chance to visit each fraternity house. The Council sponsored a successful smoker at Point Breeze at the conclusion of rushing.

This was followed at Christmas time by the annual sing, capably directed this year by Dick Camp. In February the Council sponsored a varsity boxing match, smoker, and feed. Later in the month, an unusual party featuring bingo and dancing was given under the direction of Bob Wolff. During basketball season, candy was sold at all games under the direction of the Council.

All in all the Council had a very successful year. The brotherly spirit prevailed as it never had before.

The Council officers included:

Jack G. Chorpennig	President
Robert Wolff	Vice President
Robert Taylor	Secretary-Treasurer

Pan-Hellenic Council

The Panhellenic Association of Bethany College has been organized for the purpose of working together for the good of the college and all its women students, of cooperating to benefit the fraternities of the college, and to unify the interests of fraternity and non-fraternity women

This Panhellenic Association is composed of three delegates from each chapter of the national fraternities represented on campus. Delegates from any one chapter are the president and two other members. Officers of Panhellenic are determined by a rotating process.

The officers for the school year, 1937-1938 were:

President.....	Margaret Smith
Vice President.....	Mary Stroman
Secretary.....	Sue Worthen
Treasurer.....	Norma McAdams

BETA THETA PI

Beta Theta Pi was founded August, 1839 at Miami University, Oxford, Ohio. From that time it has grown to eighty-seven chapters including one in Canada and one in British Columbia. Psi chapter was founded December 9th, 1860 and now in its seventy-seventh year has strongly established itself in the eyes and hearts of the many loyal Bethanians.

SIGMA NU

Sigma Nu Fraternity was founded at Virginia Military Institute in the year 1869. The Epsilon chapter here at Bethany was installed in 1883. For a number of years the members lived in a house on the college campus which was destroyed by fire in 1927. The present house was built about nine years ago upon the site of an old church, and since that time it has housed an ever-increasing group of men that have shown leadership in the scholastic and extra-curricular activities of the school.

PHI KAPPA TAU

Phi Kappa Tau was founded at Miami University. The Phi Chapter, formerly the Rechabite Club organized in 1906, entered the national fraternity in 1923 at Bethany. With the inauguration of the Sigma Beta Nu of Akron University as the Alpha Phi Chapter Phi Kappa Tau, an ever progressive organization scholastically and socially, now has a total of forty-five chapters.

ALPHA KAPPA PI

On March 23, 1926 the Phi Delta Zeta Fraternity of Newark College of Engineering, and the Alpha Kappa Pi Fraternity of Wagner College, Staten Island, united to form the National Alpha Kappa Pi Fraternity. It has since been an active and growing organization, claiming at the present time twenty-seven chapters. The Lambda Chapter was installed at Bethany on June 1, 1929.

ALPHA XI DELTA

Alpha Xi Delta was founded at Lombard College, Galesburg, Illinois, April 17, 1893. In the year 1930 Lombard College merged with Knox College and Lombard College passed out of existence. Alpha Chapter was re-established at Knox College. Delta Chapter was installed at Bethany June 6, 1903, and has, since that time, progressed socially and scholastically on the campus.

Campusology

Athletic Board of Control

This board is comprised of the various athletic coaches, both male and female; a female student representative, and a male representative from each class. Professor Booth is the president of the club.

As indicated by its name, the function of the club is to regulate the athletic program of the college from a financial angle. Among its minor functions, it designates the requirements necessary before an athlete may receive his varsity "B". It also exerts its control over all athletic banquets, dances and other entertainments.

Among the decisions handed down by the club this year were: an appropriation for boxing to help that sport in its first year at Bethany, a decision to establish inter-class baseball—this was revoked because of improper facilities. However, with our new athletic field shaping up, baseball seems certain to begin its comeback to the position it once held at Bethany. Among less important decisions were: to enter our basketball team in the State Tournament at Clarksburg, shift the scene of our track meet with West Virginia University to Morgantown due to lack of equipment, and to pass on students eligible for the Varsity "B" letter.

(Pete)

22	Westminster	0
0	Washington and Jefferson	9
0	Kenyon	14
6	Morris Harvey	27
12	Hiram	14
0	Geneva	13
7	Glenville	19
12	Fairmont	0
59		96

Joe Hauner J. J. Knight Eddie Stumpp

Football

With a veteran team that lost only two games the previous season, great things were expected in football this year. This belief was firmly entrenched when we sailed over a strong Westminster team at home 22-0 in a game that featured the first field goal in years. Misfortune took a hand, however, when a much heavier W & J team had to cripple most of our first team before they could assert their 9-0 superiority. Strangely enough, it was the Bison's belief that a win in this game would have changed the season's record.

With our key men out of the lineup, Kenyon further demoralized our troops by winning in a manner that was hard to explain. They "just won" 14-0. With several more injured men we took the field against Morris Harvey, a team that we had beaten 59-0 the previous year. It was at this point that we had six ailing halfbacks on the bench. They blocked practically every punt we tried, to wallop us 27-6 in our own back yard.

At Hiram our third quarterback was put out of action. The first was forced to play from the sidelines with an internal injury. His successor, a transformed fullback, badly sprained his ankle necessitating the transfer of one of our regular tackles to the quarterback post. When his nose was broken, Coach was ready to throw in a towel. We ran all over Hiram in view of these handicaps with 22 first downs, but games are won on touchdowns . . . we lost 14-12.

Geneva was the lion, we were the crippled lamb . . . a perfect set-up; but our almost super-human efforts netted us exactly a 13-0 loss. By this time the injured members began to come around one by one. Unfortunately, Glenville proved to be better swimmers and with several timely breaks they won 19-7 in a sea of mud and water.

The last week of practice, saw for the first time since the beginning of the season enough men to form two teams. Throughout the season there were only about eighteen men able to appear on the field. The only chance we had to work plays was in the games themselves. It was great to have the whole team again. With only a week of practice we at last, showed our true form by decisively pushing back a pesky Fairmont team 12-0. This victory supplied a fitting tribute to Captain Milan Blistan and Seniors James Everhart, Arch Kinsey, and Harry Sykes who are leaving behind them vacancies that will be difficult to fill.

Basketball

In looking over the results of the past season we see that from a schedule of 20 games 13 were dropped to worthy opponents while the other seven were won by the Knightmen.

The boys got off to a good start by copping four straight from Holbrook, Hiram, Kenyon, and Geneva but hit a snag when they bumped up against Westminster and came out of the skirmish on the losing end of the score, 66 to 40. The Bisons returned to the home floor and took a game from Fairmont's Fighting Teachers. Next they traveled to Marietta, Ohio, where they suffered their worst defeat of the season, 71-50.

Returning home a victory was taken from a strong St. Vincent team. Following this game the boys hit a streak of bad luck and as a result 10 straight games were dropped to opponents in the order of Salem, Geneva, Wesleyan, St. Vincent, Westminster, W. & J., Fairmont, Glenville, Wesleyan, and Glenville. The team finally snapped out of it by conquering Salem at Salem by the score of 47-45.

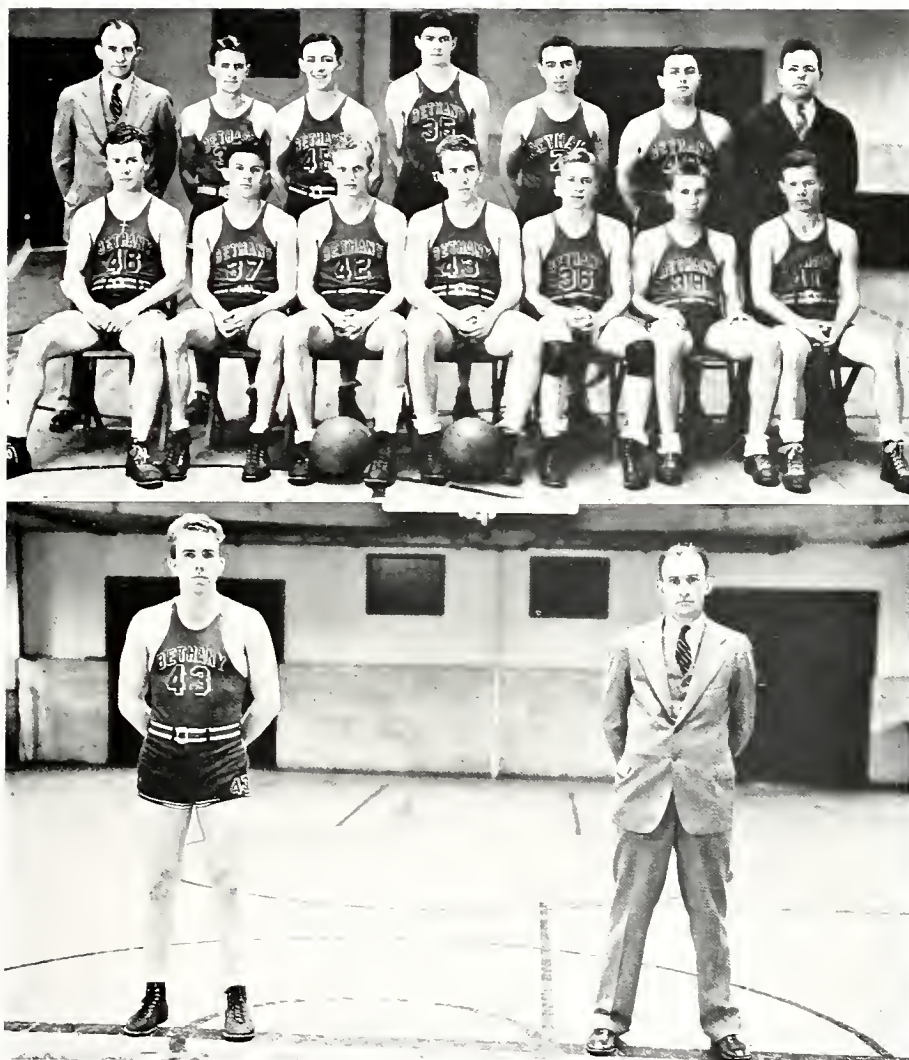

The curtain dropped on the 37-38 basketball season for the Green and White when the Bisons journeyed to W. & J. and were handed a defeat 52 to 33.

In totaling up the scores for the season we find that Bethany scored a total of 972 points against 1065 for opponents.

Scoring honors for the season went to Ralph Burger who had a total of 241, but he was followed close by George Petroff who had a sum of 230 points to his record. Burger also led the team in the number of foul shots made with a record of 41 out of 74. Petroff also ran a close second with 44 out of 83.

With Coach Knight losing only two men, Harry Sykes and Jack Chorpenning, from the squad we should look forward to a very successful season for 38-39.

The basketball team entered the W. Va. Intercollegiate Tournament at Clarksburg March 7 and 8, but were defeated in the first round by Potomac State, 50-46.

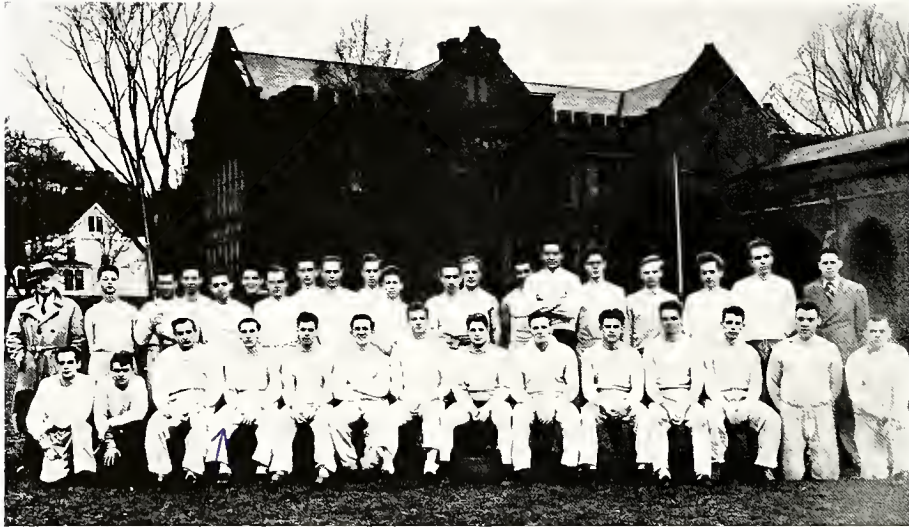

Capt. Harry Sykes

Track

Although the Bethanian goes to Press too early to carry an account of the 1938 track season, we feel safe in predicting a very successful one.

The fact that only a few of last years men were lost and there is much new material should make the team a winning one. Coach Boettcher has succeeded in lining up a more rounded team than Bethany has had in recent years, with material for the field events as well as the running events.

The schedule this year is a heavy one with all of the meets being held in a three week period. The team opens their season at the Penn Relays at Philadelphia, and follows in dual meets with Washington and Jefferson, University of West Virginia, Ohio University and the University of Pittsburgh. They also plan to enter the tri-state meet to be held at Geneva.

Cross Country

The 1937 squad began working out under its new mentor, Professor Walter Boettcher, with a good group of runners. From the teams of the past two years returned varsity lettermen J. Brown, D. Fultz, A. Kuti and D. McIlroy. Incoming freshmen were a valuable asset to the team.

In dual meets with Carnegie Tech, Earlham, Pitt J. V., and Pitt Varsity, the team won all but the latter. Hopes for an excellent team next fall are very promising, and with just a little more interest and support cross-country will be one of Bethany's winning teams. For "The Bethanian" (Don McIlroy)

Tennis

The tennis team, coached by Dr. Wm. Erskine, was a more formidable outfit than in the past few years. Though not a consistent winner, the team, did as well as could be expected.

Varsity lettermen W. Callendine, J. Erskine, S. Gibson, R. Camp and D. McIlroy of 1937's team, were augmented by Nelson Ward, a former student, and freshmen T. Cullison, D. Rosensteele and Jim Campbell.

For "The Bethanian" (Don McIlroy)

Boxing Team

Early this year a new athletic organization was formed on this campus; namely, the varsity boxing team. Under the able direction of Joe Gaynor and Mr. Boettcher the small group of men trained hard until they were in shape for some real bouts. In a short time they had arranged a fine schedule with a number of the district schools, and then the jinx that seemed to follow our other athletic teams struck them, placing a large number of the squad on the sick list. Most of the matches had to be postponed.

Finally, after most of them had recovered, they went over to Wash-Jeff and gave the Presidents a real lesson in fisticuffs, losing by the close score of 3-4. This match proved to be the only inter-scholastic one of the season, but that single match was sufficient to show everyone that we have an interest in boxing here at Bethany, and that we have some real reasons for being interested.

This coming college year should prove to be a real event for our boxers, as a number of exciting matches have already been planned. With a few more men to choose from and a precedent to follow this organization will really "go places" next year.

Acknowledgments

The staff of the nineteen hundred and thirty-eight Bethanian annual wish to express their sincere appreciation and thanks to the students, faculty, and organizations for their splendid cooperation in helping to make this year's annual a success.

Due to misinterpretation of information received from the College, Joe Hauner, Fred Westwood and George Whitehead were placed by mistake in the Junior section instead of the Senior section.

The Modern Aid To Modern Education

MODERN LIGHTING

If you do not have an I. E. S. Lamp which is scientifically designed for reading and study, you are making your work harder and possibly endangering your eyesight.

In extended school experiments it has been shown definitely that students who study under proper lighting conditions make progress faster than others who study where lighting is poor.

Get an I. E. S. Lamp from most any up-to-date store and experience real reading comfort.
